The Iowa Missing Persons Bulletin is published monthly by the Iowa Department of Public Safety Missing Person Information Clearinghouse in order to provide information concerning missing persons from the State of Iowa. By publishing this bulletin, we hope to increase public awareness and cooperation with the ultimate aim of helping to locate these people.

Internet Safety Web Sites

www.netsmartz.org

The National Center for Missing and Exploited Children, along with Compaq Computer Corporation and the Boys and Girls Clubs of America, has established the NetSmartz Workshop, an educational resource, for children of all ages, parents and teachers on how to stay safer on the Internet.

The National Center for Missing and Exploited Children also has available on their web site the following brochures:

Child Safety on the Information Highway
and
Teen Safety on the Information Highway

A toll-free telephone line is available twenty-four hours a day, seven days a week, to take information on persons reported missing and help with the filing of missing persons reports. If you recognize someone from this bulletin, **DO NOT TAKE ANY ACTION YOURSELF**. Get as much information as you can (e.g., license number of a vehicle, exact location of sighting, activities individual involved in) and then call the local law enforcement agency named in the bulletin or our hotline number, 1-800-346-5507. Any information we receive will immediately be referred to the appropriate law enforcement agency for further investigation.

The following names have been taken from the December 17, 2001 computer listing of missing persons and represent those individuals missing for one month or longer:
